This authority will expire at the end of the next Annual General Meeting of the Company or on 30 June 2013, whichever is earlier.

The Chairman put the following resolution to vote:

'That the Directors be generally and unconditionally authorised pursuant to and in accordance with Section 551 of the Companies Act to exercise all the powers of the Company to allot shares or grant rights to subscribe for or to convert any security into shares in the capital of the Company (subject to the approval of a meeting of holders of "B" ordinary shares of EUR 0.40 each ("**B Shares**") or a notice in writing signed by the majority of the holders of B Shares in the case of an allotment of, or grant of rights to subscribe for, or convert any other securities into, B Shares):

- (i) up to a nominal amount of EUR 34,898,290; and
- (ii) comprising equity securities (as defined in Section 560(1) of the Companies Act) (other than B Shares) up to a further nominal amount of EUR 34,898,290 in connection with an offer by way of a rights issue,

on terms that such authorities are to apply in substitution for all previous authorities pursuant to Section 551 of the Companies Act and are to expire at the end of the next Annual General Meeting or on 30 June 2013, whichever is the earlier, but, in each case, so that the Company may make offers and enter into agreements during the relevant period which would, or might, require shares to be allotted or rights to subscribe for or to convert any security into such nominal amount of shares to be granted after the authority ends and for the purposes of this resolution, "rights issue" means an offer to:

- (a) holders of ordinary shares in the capital of the Company (other than B Shares) in proportion (as nearly as may be practicable) to their existing holdings; and
- (b) holders of other equity securities if this is required by the rights of those securities or, if the directors consider it necessary or appropriate, as permitted by the rights of those securities,

to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, but subject in both cases to such exclusions or other arrangements as the directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory.'

The Chairman then proceeded to the proposed special resolutions.

18. Authorisation of the Directors to dis-apply pre-emption rights

The Chairman stated that resolution 18 was proposed as a special resolution and subject to the passing of resolution 17 above. The Chairman further explained that this resolution, if passed, would give the Directors the authority to allot shares for cash without first being required to offer them to current shareholders. This authority is limited as described in text of the resolution and will expire at the end of the next Annual General Meeting of the Company or on 30 June 2013, whichever is earlier.

The Chairman put the following resolution to vote:

'That subject to the passing of resolution 17 above, the Directors be unconditionally empowered to allot equity securities (as defined in Section 560(1) of the Companies Act) (subject to the approval of a meeting of holders of B Shares or a notice in writing signed by the majority of the holders of B Shares in the case of an allotment of, or grant of rights to subscribe for, or convert any other securities into, B Shares) wholly for cash:

- (a) pursuant to the authority given by paragraph (i) of resolution 17 above or where the allotment constitutes an allotment of equity securities by virtue of Section 560(3) of the Companies Act, in each case:
 - (i) in connection with a pre-emptive offer; and
 - (ii) otherwise than in connection with a pre-emptive offer, up to an aggregate nominal amount of EUR 5,287,620; and
- (b) pursuant to the authority given by paragraph (ii) of resolution 17 above in connection with a rights issue;

as if Section 561(1) of the Companies Act did not apply to any such allotment, such power to expire at the end of the next Annual General Meeting or on 30 June 2013, whichever is the earlier but so that the Company may make offers and enter into agreements during this period which would, or might, require equity securities to be allotted after the power ends and for the purposes of this resolution:

- (a) "rights issue" has the meaning as in resolution 17 above;
- (b) "pre-emptive offer" means an offer of equity securities, other than an offer of B Shares, open for acceptance for a period fixed by the directors to (i) holders (other than the Company) on the register on a record date fixed by the Directors of "A" ordinary shares of EUR 0.40 each ("A Shares") in proportion to their respective holdings and (ii) holders of other equity securities if this is required by the rights of those securities or, if the Directors consider it necessary or appropriate, as permitted by the rights of those securities, but subject in both cases to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory;
- (c) references to an allotment of equity securities shall include a sale of treasury shares; and
- (d) the nominal amount of any securities shall be taken to be, in the case of rights to subscribe for or convert any securities into shares of the Company, the nominal amount of such shares which may be allotted pursuant to such rights.'

The total voting results for this resolution, including the votes received by the Secretary of the AGM, were as follows:

	For	Against
Votes cast	184,617,876	135,000
% of total votes cast	99.93%	0.07%

19. Authorisation of the Company to purchase its own shares

The Chairman then proceeded to the next special resolution and explained that this resolution 19 gives the Directors a general authority under section 701 of the Companies Act to make market purchases of the Company's ordinary shares, provided that:

- (i) the maximum number of A shares which may be purchased is 26,438,098;

- (i) the minimum price which may be paid for each A share is EUR 0.40;
- (ii) the maximum price which may be paid for an A share is an amount equal to the higher of (a) 105 per cent of the average of the closing price of the A shares as derived from the London Stock Exchange Daily Official List for the 5 business days immediately preceding the day on which such share is contracted to be purchased and (b) the higher of the price of the last independent trade and the highest current bid as stipulated by Article 5(1) of Commission Regulation (EC) 22 December 2003 implementing the Market Abuse Directive as regards exemptions for buy-back programmes and stabilisation of financial instruments (No 2273/2003).

This authority will expire at the end of the next Annual General Meeting of the Company or on 30 June 2013, whichever is earlier. The Directors believe that granting such approval would be in the best interests of shareholders and allow Directors to react quickly if they judge that it is in the best interests of shareholders to do so. The Board has no present intention to use this authority, but that this will be kept under review.

'That the Company be and is hereby unconditionally and generally authorised for the purpose of Section 701 of the 2006 Act to make market purchases (as defined in Section 693 of that Act) of A Shares in the capital of the Company provided that:

- (i) the maximum number of A Shares which may be purchased is 26,438,098;
- (ii) the minimum price which may be paid for each A Share is EUR 0.40;
- (iii) the maximum price which may be paid for an A Share is an amount equal to the higher of (a)105 per cent of the average of the closing price of the A Shares as derived from the London Stock Exchange Daily Official List for the 5 business days immediately preceding the day on which such share is contracted to be purchased and (b) the higher of the price of the last independent trade and the highest current bid as stipulated by Article 5(1) of Commission Regulation (EC) 22 December 2003 implementing the Market Abuse Directive as regards exemptions for buy-back programmes and stabilisation of financial instruments (No 2273/2003); and
- (iv) this authority shall expire at the conclusion of the Annual General Meeting of the Company held in 2013 or, if earlier, 30 June 2013 (except in relation to the purchase of shares the contract for which was concluded before the expiry of such authority and which might be executed wholly or partly after such expiry) unless such authority is renewed prior to such time.'

The total voting results for this resolution, including the votes received by the Secretary of the AGM, were as follows:

	For	Against
Votes cast	184,606,139	146,737
% of total votes cast	99.92%	0.08%

The Chairman put the following resolution to vote:

'That a general meeting other than an Annual General Meeting may be called on not less than 14 clear days' notice.'

The total voting results for this resolution, including the votes received by the Secretary of the AGM, were as follows:
