If you are in any doubt as to the action you should take, please consult an independent professional advisor authorised under the Financial Services and Markets Act 2000.

Dividends are declared and paid in Euro.

All shareholders will therefore be paid by cheque in Euro, unless they instruct the Company's share registrar, Computershare Investor Services PLC (the 'Registrar'), to pay dividends in pounds sterling. The Registrar must receive any such instructions by the Currency Election cut off date for it to be valid for that dividend. An election received after this date will be applied to subsequent dividends only.

It is not possible to pay Euro dividends directly into a bank account. If you wish to mandate your pounds sterling dividend to be paid directly into a UK bank or building society account you should contact the Registrar (at the address overleaf).

Shareholders wishing to give instructions in relation to the currency of their dividend must complete and submit this Currency Election Form. Alternatively, if you hold your shares represented as Depository Interests in uncertificated form in CREST you may elect my means of the Crest system. If instructions are received in any other format or this form is incomplete the shareholder's instruction will be deemed invalid and rejected. New World Resources N.V and Computershare Investor Services PLC will not accept any liability in relation to any such rejected instructions.

I / we hereby elect to receive dividends in the following currency:-

(Please insert 'X' in box)
